Director's Message

"Our message is to provide with the best education to every child to stretch his/her inherent learning competencies through a self discovery process."

At Maulana Azad International School, the uniqueness of each child is recognized, nurtured and treasured. Emphasis is on learning and not on teaching.

Education is a complete process that leads to the attainment of the full potential of the child. Our endeavour is to equip our students with life-skills to face the real world-be it planning, organizing, deciding, questioning, reasoning, analyzing, team-building, communicating effectively or dealing with challenges confidently.

Our focus is to develop our students as global citizens, with tolerance, respect and appreciation of diverse cultures and religions for a long-time learning experience. They should be self-motivated, independent, confident decision makers to take up a leadership roles in future.

At MAIS, we arm our students with technological supremacy and help them integrate it with values, morals and cultural legacy. The school curriculum has been painstakingly planned on scientific guidelines to provide students with intellectual stimulation, physical robustness, social adaptability, emotional independence and leadership qualities. It is our endeavour to establish a quality-conscious school where-

a) Excellence is driven by values,

b) Success is strengthened by ethics and

c) Modernity is fortified by tradition.

We at MAIS provide holistic education where children evolve as individuals who are self-motivated and creative, who can think, question and reason out logically; who are independent, confident and leaders capable of taking decisions.

May the Almighty guide us to the right path.

Mohammad Rizwan Salafi
Director

From the Desk of Principal

It is my pride to be the principal of MAIS, as my job will be to nurture and shape the minds of students, young and small, like my own children. I am very fortunate, that almighty Allah has chosen me for this tough task. The work that I have undertaken is a great social work and I am going to work beyond its boundary. Our main motto of the school is to build up a character in students, so that they can move smoothly on their journey of life. I will make my students smart, caring, strong ,confident so that they can easily surpass the impossibility of life. The rules and regulations of the school, activities, good environment and subjects concept will mould them to become the leaders of tomorrow. I will always be close with my students and make changes as an when required for a holistic development in them. I would always keep my school and student above my work for its betterment with new innovations pedagogy and modern tools. Each tests and exams of the schools are the tests of life which will make them gentleman and princess women in their future. Lastly I wish my students and guardians profound success for their future.

Thank you

Massage

It is a matter of immense pleasure for me to extend heartfelt congratulation to all who are taking to much effort in publishing annual magazine (2024-2025) for Maulana Abul Kalam Azad international school. Publication in such magazine with number of articles, views, opinion etc. as reflection of vision and mission of this newly stablish school definitely plays a significant role in assessing the quality based educational standard of the Institutional. It also represents true human values and cultural ethos of the school environment. This annual magazine is not only repository of co-curriculum activities and academic indexing number in a year. But it is also like carved niches for the display of inherent latent and averments of the principal, students, teachers and school management. What I personally feel while visiting the school that publication of this magazine will disseminate true Knowledge and motivate the students in future in the process of natation building and carrier advancement.

Lastly, I congratulate school management, principal, teachers, other supporting staff members and editorial team who have worked diligently in publishing this magazine. I further wish a grand success to all students who are enrolled in this Institution.

Maulana Azad International School

An Introduction

Maulana Azad International School is located at Azad Nagar, (Near Sale Tax) on N.H. 31, P.O Kirora, P.S. Balrampur, Katihar, Bihar. It is founded by Social worker, preacher, Islamic Scholar, well known personality of the region Md. Rizwan Salafi in the year 2015, to bring the education closer to the underprivileged and disadvantaged children of Seemanchal. Eradicating illiteracy & backwardness is the main aim of the institution; and in this venture Mr. Nasiruddin, the Principal has a great contribution towards bringing in education to the doorsteps of the poor.

The school provides almost all the basic facilities to the students, such as Computer lab, Library, Physical education, Work education, CCTV surveillance, Purified water, 24 hours electricity facility, and so on. School has employed the most competent teachers available so that the students can be given the education at par. It has the facilities of hostel and transportation for the children living at far off places.

It is our moral duty to provide development through education, and We pray to the Almighty to help us till our last breath, so that we keep doing something constructive for our Great Country - India

Republic Day
Celebration 2024

Friday: 26 January 2024: we celebrate the festival of republic day every year on 26th January because in 1950, on this date, India's constitution was implemented. Expressing the joy of freedom and for being a republican country A grant celebration was observed in the premises of Maulana Azad International School today.The programme of flag hoisting started at 8.30 in the morning. Flag hoisted by the school Director Md Rizwan Salafi followed by the National anthem and "sare Jahan se achcha" sung by our senior girls then delivered a short speech by the school Director. He remembered Dr.B.R. Ambedkar's contribution towards making India a secular country and also said in his speech that no interfare in the constitution will be accepted at all. On this occasion, The students participated in different songs and speeches. The school was looking colourful with green ,white ,orange of Tiranga. There was a smile on everyone's face. Everyone were singing, dancing, grumbling patriotic songs and enjoying themselves. After the program Mr. Nasiruddin, Principal of Maulana Azad international school thanked to teaching and non teaching staffs to make the event a success. The programme ended with the distribution of sweets and everyone returned back home leaving a sweet memory at school

Annual Cultural Program 2024

India is a cultural country, with diverse cultures and traditions. It boasts of its rich culture and display them as an when required. The skill of culture and art has been the activities of different schools. One such cultural program was exhibited in the renowned school Katihar, Bihar; Maulana Azad International school which was worthy to be appreciated. It was a good day of winter, where people were expecting sunshine, this programme provided the warmth to the audience and the students and proved to be the historic moment in the journey of Maulana Azad International School. The management of the programme was superb, DJ's sound, with multiple mikes speakers, well adorned colourful pandal and cosy stage with visual display, refreshment of tea, cold drinks for the guest and and delicious dinner for all. The programme commenced at 4 pm with the declaration of the director and principal of the school.The programme was hoisted by a student of Class 8, guided by Mr. Saroj Thapa, the assistant teacher of the school.

The premises of MAIS was filled with melodious Suras, Nath English Rhymes, Poems, and English songs and speeches with different body language and gestures. Dramas and debate added more spices which made the programme awesome. The program was well appreciated by the guests and chief guests, and other dignitaries from different schools. The crowd was a roaring crowd around thousands of people, who really enjoyed the programme. The Principal of the school Mr. Nasiruddin delivered a short thank you speech and distributed momentos to the VIP and other guests and guardians. At the end the director of the school Mr. Mohammad Rizwan Salafi thanked everybody for their contributions in the programme, he seemed sad for closing the program, waiting for next year's cultural program in the school with unique arrangement full of excitement, emotions , care and love.

1st Elocution Program

"An eloquent speech does not reach from the lips
to the ears rather it reaches from heart to heart."

Keeping this thought in mind, "MAULANA AZAD INTERNATIONAL SCHOOL" organised an elocution program under the guidance of respected principal, Mr. Nasiruddin sir that was conducted on 17th May, 2024.

All the teachers witnessed this event and their presence was a motivational and encouragement for all the participants who stood with fervor to speak out their voice in this event. The House in-charges (Red, house, Blue House, Yellow House and Green House) were also there to cheer up their students. The participants were allowed to speak on one of the given topics for a duration of 2-4 minutes. The program was started by the recitation of The 'THE HOLY QUR-AN". Students delivered different kinds of speeches like- the importance of time, Education, Cricket, and about some renowned personalities too like APJ Abdul Kalam sir , MS Dhoni and many more. Maximum students took part and performed well. Those who stood first, second and third will be awarded by the hand of our honorable Principal sir.

The Elocution contest concluded with praises for all the contestants and encouragement for all the other students to step forward in such events in the future.

The main purpose of the elocution program is to improve their communication skills, including speaking fluency, using body language , eye contact, making them ready for public speaking, articulation, clarity, and voice modulation.

2nd Elocution Program

Friday: 19th July 2024:

As the heat wave was rising ,the students curiosity of Elocution contest was rising up. All the students had prepared well to give the best in this contest. This contest was the second Elocution contest of this year. All the students had gathered some experience from previous Elocution contest. This time they succeeded in speaking smartly on their topic. The contest was presided by the house masters and house captains and vice. This time the school wanted to award them with prizes so the students were more excited and prepared well than before. The house captains and vice guided their lads to give the very best for this programme and the outcome was also good. The winners, first second and third were congratulated by the Principal and director of the school and awarded with good school kits. The winners were also very happy and proud which motivated them to participate for further programme.

Lastly the winners went back home taking their precious awards for which their parents would also remain happy and proud with their child's achievement.

May God bless the winners of this Elocution contest and guide them in their journey of life.

78th Independence Day

The 78th Independence Day is being celebrated with great enthusiasm all over India today on 15th August 2024. At the same time, it was also celebrated with great pomp and ceremony at Maulana Azad International School. The first beautiful scene of flag hoisting was done by the blessed hands of Director Maulana Muhammad Rizwan Salafi. After the flag hoisting, the children sang the National Anthem and Allama Iqbal's poem "Saare Jahan Se Accha". After this, the formal program began. The duties of the anchor were carried out by Ms. Nahid Begum. And Md Asim Class 8, speeches on the freedom struggle in Urdu and English were presented by different children. Later, the children presented their own programs in different ways. Then, the students who stood 1st, 2nd & 3rd in the essay writing competition were distributed prizes and certificates by the director, principal and teachers. Finally, the school director was excited about the results of the children and announced that whoever will be successful in the next program, will be given special prizes by me.

Our program had started at 8 am and ended beautifully with the distribution of sweets at 11.15 minutes.

Science Talent Hunt

Science is one of the interesting subject for students, not because it makes you a scientist but because it helps us to understand this world and solves different mysteries of our life. So it would not be wrong to say that there is no life without science. Today students are running forward to study science, to solve the impossibility of their life. Students in MAIS also take keen interest in science. To test their scientific ability, the school conducted Science Talent Hunt on 23rd of August, in which the participants were both the boys and girls of the school. The questions for them were tough but anyhow they tried to solve it. It was an interesting competition for them with less preparation and unaware questions. The teachers too help them out to make the competition better. The result of the competition is yet to be announced. The students eyes are on results to be announced by the school. The students expressed satisfaction from the competition and made their minds to explore more about science in future.

Teacher's Day Celebration

Happy Teacher's Day

One of the most important days of the school is the Teacher's day which is celebrated on 5th Sept every year. It is celebrated throughout India in all educational institutions. It is the birthday of Dr. Radhakrishnan, who was a great Teacher, philosopher, reformer and also the President of India. Even till today his principle of teaching is still followed in India. Maulana Azad International school also hosted the Teacher's day program and welcomed all the Teachers. It was a short and amazing program with inspiring speeches by smart and elegant teachers. The teachers were felicitated and presented with adorable gifts. The Director and Principal addressed the celebration and focused on the quality education to be implemented in the school. The students bursted the balloons and distributed cakes among themselves.

Some of them sang, played and enjoyed with their teachers.Todays weather was also favourable and conductive for celebrating Teachers day. There was a cheer in everyone's face and the smart, elegant dress up of the Teachers added more sugar in the program. The programme ended with a long speech from The Director sir, he appealed to the students to love and respect their teachers because teachers impart wisdom and without wisdom we are just a body that cannot speak, hear, see and feel.

Lastly, happy teachers day to all the teachers throughout the world. May your day move smoothly with blessings from God and your students.

Visit of Dr. Junaid Haris to Maulana Azad International School

Today on 21/11/2024 Dr. Junaid Haris, Assistant Professor, Department of Islamic Studies, Jamia Millia Islamia, Jamia Nagar, New Delhi-110025 graced his presence in Maulana Azad International School, Katihar, Bihar late in the evening with the intellectual delegates including Dr. Amanullah Director of Al Faiz Model Academy, Basmatia, Araria, Bihar. While having tea Dr.Junaid discussed on different issues and shared his wide experience as a social reformer and consultant of different rising issues. Regarding the school curriculum he suggested to make strong basic and foundation education for beginners also emphasized on moral values and ethical environment. He believes in doing the tasks which need to train young minds instead of instruction and order as given certain examples of his personal life and proved his experiments. If teachers will be successful in developing the souls of the students, it will be easy to make them guide to the right paths. Improvement of spiritual condition of young minds are only possible in Teenage, after completing the teenage years, they are doing on their ways. At the last to express thanks and gratitude Mr.Nasiruddin, Principal of MAIS presented to the guests the pen printed school name on it. Dr. Junaid praised the efforts of the Director Mohammad Rizwan Salafi in the field of education and given many duas to be more successful in its fields.

Our Evaluation System

We have implemented the CBSE envisioned 'Uniform System of Assessment' as the evaluation system of our school to achieve 'academic excellence' and cherished dream 'zero learning gaps' in our pupils.

Apart from the CBSE installed 'uniform system of assessment' we do also have a continuous and comprehensive assessment throughout the session. We here systematically analyze and measure each pupils learning. Monthly test is our key to diagnose each and every child separately. Activities and competitions beat their hearts throughout the session.

All assessments, examinations and report cards are prepared as per the CBSE guidelines.

1. Scholastic Areas:

The assessment and examination structure for class I-VIII is divided into two term areas as per the CBSE assessment scheme.

Subject	Term 1(1st half of the session) P.A.-10, N.B.-5, S.E.-5, H.Y.E.-80		Term 2(2nd half of the session) P.A.-10, N.B.-5, S.E.-5, A.E.-80	
1. Lan-1 2. Lan-2 3. Lan-3 4. Maths 5. Science 6. S. Studies 7. Any other subjects	*P.T.-40 Marks converted into 10 *Note Book-5marks *Subject Enrichment-5	**Half yearly Exam.** *Written -80 marks at the end of the 1st half of the session	*P.T.-40 Marks converted into 10 *Note Book-5marks *Subject Enrichment-5	**Annual Exam.** *Written -80 marks at the end of the 2nd half of the session

1. Grading scale for Scholastic areas I -VIII

The school awards grades as per the following scale:

Marks Range	Grades
91-100	A1
81-90	A2
71-80	B1
61-70	B2
51-60	C1
41-50	C2
33-40	D
32& Below	E Needs Improvement

2. Grading scale for co-scholastic areas: For the holistic development of our pupils we have devised the following co-curricular grading scale to be graded term wise.

Points	Grade
Outstanding	A
Very Good	B
Fair	C

3. Promotion Policy:

(I) Rank is awarded on the basis of the section of each class.

(II) Rank is not awarded to those who fail or absent in one subject or more.

(III) Students not appearing in term examinations due to any reason are not eligible for any proficiency award.

Essay writing competition

Competition among men started from ancient civilization. With this competition, men became more knowledgeable, advanced and powerful. These days competitions are among the youths and students in various fields like education, sports, social works and so on. So with the aim of generating enthusiasm and competition among the students and essay writing competition was held in the school campus. The students were categorised in different houses namely blue, green, yellow and red. Different topics were assigned to each houses. The students prepared according to their houses. The competition was successful one, with all the students participating in it, and searching ideas through different sources for this

Essay writing competition

renowned Essay writing competition. The students were satisfied and proud after the participation. The director and the principal announced the felicitation certificate for the winners which added more fuel in the fire. The teachers and house masters gave their level best for the competition, so it was a grand competition. The result of the competition is yet to be announced. The staff of MAIS expressed the competition to be very fruitful to the students.

Speaking to some of the students, Some of them said, the life without competition in the school would be a monotonous one.

ESSAY-WRITING COMPETITION

Climate Change

Sudden increase of temperature of the earth. The climate of one place change after the long period of time like 60 or 70 years. Climate change is very harmful for people due to change of climate people have to adopt the new climate and it is very hard to adopt the new climate. People are earning by selling wood for this they cut down the trees and destroy the forests and wildlives. In the absence of tree or plant climate change into hot climate and the people are living in very hot climate. There are some factors affecting the climate.

- Distance from sea
- Distance from the equator
- Altitude
- Wind

People are cutting down the trees the factor affecting the climate due to wind if there is no wind that will affect hot climate. If people will grow plants and trees, then wind will blow and the wind will make the climate cool

Importance of Good Manners

Introduction: Good manner is very important in life of an individual. Students should understand the meaning of some good manners because it helps us to become a good person and being a better personality.

We should use the words like sorry, please, thank you. These words make us humble and polite. Good manners open the door of new opportunities and new conversation. They teach us to show kindness. Parents should teach their kids the value of the good manners.

Some good manners are;

Punctuality

Respect

Asking Permission

Always speak the truth

Greeting elders

Conclusion: - Good manners are essential to form a sophisticated in society to show respect, courtesy and harmony in social interaction.

The Importance of forest

Introduction: - Forests are very useful in our daily lives because they give us many things like oxygen, shadow, wood, timber, medicine, etc. Amazon forest is the largest forest in the world which gives us 20% of oxygen. Plants also respire like human beings; plants take carbon dioxide and release oxygen by the process of photosynthesis.

Forest is the home of many animals like tiger, lion, elephant, peacock, parrot, snake, rat, cat, bear, and also many birds live here like cock, pigeon, ostrich, crow, etc. and many insects also live here like house fly, dragon, honeybee, etc. and many insectivorous are also found in the forests like venus fly trap, sundew, pitchu etc.

The future of Renewable energy

Introduction:

Renewable energy is derived from natural processes that are replenished constantly in its various forms. It derives directly from the sun or heat is generated deep within the earth. Included the definition, electricity and heat are generated from solar, wind, geothermal, hydropower energy. Renewable energy is an energy which comes from nature like wind, rain, sunlight and heat.

Renewable Energy-

This energy is present in nature, which will never be an end called renewable energy. It generates energy in large amount efficiently. Some of the renewable energies are solar energy, wind energy, geothermal energy and bio-energy etc. These energies are present in nature free of cost. And we don't have fear that the renewable energy will end one day.

Benefits of Renewable Energy

There are many advantages of renewable energy. First of all, it is never going to be an end in one day and we can use it for a long time for various purposes. Renewable energy is very important and useful in the present time. The most important benefit of renewable energy is that it is eco-friendly and don't contribute to the environmental pollution.

Needs for Renewable Energy

Seeing the increasing population of the world, the demand for renewable energy has increased. However, we can satisfy the needs of the entire population through it.

Conclusion-

Renewable energy can save and secure our future. Pollution is the greatest threat now; In conclusion, we can adopt renewable energy in our daily use for the sustainable development. At the end of the essay, I want to conclude that we must have to save the renewable energy for future.

Should plastic be banned?

Plastic bag is a major cause of environmental pollution. Plastic is a non biodegradable substance and thus, plastic bags remaining in the environment for the hundreds of years polluting immensely. It has become very essential to ban plastic bags before they ruin the planet completely. Many countries around the globe have banned plastic bags but the problem hasn't been solved completely.

Plastics are non-biodegradable substance. The disposing of the plastic is the biggest challenge. They are destroying nature due to their harmful effects. Plastic bags have become the main cause of land pollution. Animal and marine creatures unknowingly consume plastic particles along with their food. Research shows that waste plastic bags have been a major reason for untimely animal death. The pollution of plastic releases toxic chemicals. These are the main cause of serious diseases.

There are numerous reasons to ban the plastic bags by the government of various countries. They have come up with strict measures to limit the use of plastic. Waste plastics are polluting land, water and air. Chemicals released by waste plastic bags enter the soil and make it infertile plastic are having a negative impact on human health. Plastic leads to the drainage problems. Due to these reasons plastic should be strictly banned.

It is the time when we all must contribute a bit to make this ban successful. Being an educated and responsible person of the society must take a step to band it. Government is spreading awareness about the harmful effects of plastics; we should take a part in this awareness too. Although plastic is becoming a big threat for all of us. Still, this problem has been overlooked neatly. People do not think of the long term effect of the environmental pollution. A single use of carry bag we use in our everyday lives. Besides these, people keep using plastic bag due to their convenience .But now everyone has to completely stop using the plastic to save our environment and earth.

Global warming

Introduction:

Global warming refers to the long-term rise in earth's average surface temperature due to human activities. Particularly the emission of greenhouse gases like carbon dioxide and methane. This warming led to climate change, affecting weather patterns, sea levels, and ecosystems.

Causes:

The primary causes of global warming include the burning of fossil fuels (coal, oil, and natural gas) for energy. Deforestation and industrial activities. These activities release a large amount of green house into the atmosphere, trapping heat and causing the plant to warm.

Preventive measures:

Preventing global warming involves reducing greenhouse gas emissions by shifting to renewable energy sources such as wind and solar power, growing more and more plants and trees, and using energy-efficient products. Reduce water waste, reduce food waste, use clothes bags in place of plastic, and use dust.

وقت کی اہمیت

وقت ہماری زندگی کا ایک اہم ترین حصہ ہے۔وقت دنیا کا سب سے قیمتی سرمایہ ہے۔ایک عربی مقولہ ہے جس میں وقت کو سونے سے بھی زیادہ قیمتی چیز بتائی گئی ہے۔دنیا میں ہر چیز کی تلافی ممکن ہے لیکن وقت ایک ایسی چیز ہے جس کی تلافی ممکن نہیں۔جو وقت ہاتھ سے گزر جاتا ہے وہ پھر دوبارہ لوٹ کر نہیں آتا۔

وقت روزمرہ کی سرگرمیوں کو منظّم بنانے اور تشکیل دینے میں مدد کرتا ہے، وقت کو گزرنے سے کوئی روک نہیں سکتا،اگر کسی کو ایک سال کی اہمیت جاننا ہو تو اس سے پوچھو جو امتحان میں ناکام ہو گیا ہو اور اگر ایک مہینے کی اہمیت کا پتہ لگانا ہو تو اس سے پوچھو جسے تنخواہ نہیں ملی ہو اسی طرح سے ایک ہفتہ کی اہمیت جاننا ہو تو اس سے پوچھو جو اسپتال میں داخل ہے،اگر ایک دن کی اہمیت کو جاننا ہو تو اس سے پوچھو جو بھوکا ہے۔ایک گھنٹہ کی کیا اہمیت ہے جاننا ہے تو اس سے پوچھو جو کسی کا انتظار کر رہا ہو،اگر اسی طرح سے ایک منٹ کی اہمیت کا پتہ لگانا ہو تو اس سے پوچھو جس کی سواری چھوٹ گئی ہو اور اگر ایک سیکنڈ کی اہمیت کا پتہ لگانا ہے تو اس سے پوچھو جو کسی حادثہ سے بچ گیا ہو۔

وقت کی اتنی زیادہ اہمیت ہے کہ قرآن مجید میں اللہ تعالی نے متعدد جگہوں پر وقت کی قسم کھا کر اس کی اہمیت کو بیان کیا ہے۔وقت کا صحیح استعمال انسان کو بلندی اور عروج تک پہنچا دیتا ہے اور اس کے برعکس وقت کا ضائع کرنے والا کبھی بھی کامیاب نہیں ہو سکتا۔اس لیے ابھی ہمارے پاس وقت ہے تو اس کا صحیح استعمال کریں جو وقت ہمارے پاس ہے ابھی وہ چند دنوں یا چند سالوں کے بعد لوٹ کر نہیں آئے گا۔اب ہماری یہ ذمہ داری بنتی ہے کہ ہم وقت کے ساتھ چلیں اگر ہم وقت کے ساتھ نہیں چلیں گے تو ہم لوگ پیچھے رہ جائیں گے کیونکہ وقت کسی کا انتظار نہیں کرتا اگر ہم وقت کی قدر کریں گے اور اس کا صحیح استعمال کریں گے تو ہمارا معاشرہ بہتر کل کی طرف آگے بڑھے گا۔

اب اس شعر کے ساتھ میں اپنی بات کو ختم کرتی ہوں۔

میڈیا کا کردار

میڈیا انگریزی زبان کا لفظ ہے جسے اردو میں ذرائع ابلاغ کہتے ہیں جس سے مراد وہ تمام تحقیقی ذرائع ہیں جن کی مدد سے ہم اپنی باتوں کو دوسروں تک پہنچا سکتے ہیں۔

میڈیا کسی بھی معاشرے کا آئینہ ہوتا ہے جو عوام کی رائے 'خیالات اور نظریات کی تشکیل میں اہم کردار ادا کرتی ہے۔ آج کے دور میں میڈیا معلومات کی فراہمی کا سب سے بڑا ذریعہ بن چکا ہے چاہے وہ ٹیلی ویژن ہو یا ریڈیو. اخبارات ہوں یا سوشل میڈیا۔

میڈیا نہ صرف ہمیں دنیا بھر کی تازہ ترین خبروں سے آگاہ کرتی ہے بلکہ سماجی مسائل پر روشنی ڈال کر عوام کو شعور بھی فراہم کرتی ہے۔

میڈیا عوام کو ضروری معلومات سے آگاہ کرنے کے ساتھ ساتھ عوامی آواز کو حکومت تک پہنچانے کا بھی ذریعہ بن سکتی ہے۔ تاہم میڈیا کا منفی پہلو بھی ہے بعض اوقات میڈیا غلط معلومات یا افواہوں کو پھیلانے کا ذریعہ بھی بن سکتی ہے جس سے معاشرے میں انتشار و بداعتمادی پیدا ہوتی ہے اس کے علاوہ بعض میڈیا کا ذاتی مفادات کی تکمیل کیلئے کسی پارٹی یا کسی سوچ کی طرف جانبدارانہ رویہ بھی دیکھا جاتا ہے جس سے میڈیا کو پاک وصاف رہنا بہت ضروری ہے۔

مجموعی طور پر میڈیا کا کردار معاشرے میں تعمیر و ترقی میں نہایت اہم ہے لیکن اس کے ساتھ میڈیا کی ذمہ داریوں کا احساس ہونا چاہیے تاکہ وہ درست اور قابل اعتماد معلومات فراہم کریں ایک مضبوط اور غیر جانبدار میڈیا ہی ایک مستحکم اور ترقی یافتہ معاشرہ کا ضامن ہوتا ہے۔

سوشل میڈیا ایک ایسا آلہ ہے جو لوگوں کو اظہار رائے تبادلۂ خیال تصویر اور ویڈیوز شیئر کرنے کی اجازت دیتی ہے سوشل میڈیا کے بدولت پوری دنیا ایک گاؤں میں تبدیل ہوگئی ہے۔ سوشل ویب سائٹ پر زیادہ تر لوگ فیس بک ٹویٹر وغیرہ پر زیادہ تر مشغول رہتے ہیں۔

استاد کا احترام

باادب بانصیب۔بے ادب بدنصیب۔

انسان دنیا میں کبھی بھی تنہا وقت نہیں گزارتا، وہ کئی رشتے ناتوں کے ساتھ جڑا رہتا ہے۔انہی میں سے کچھ رشتے اور تعلقات خونی ہیں جبکہ بہت سے رشتے اور تعلقات روحانی و اخلاقی معاشرتی طور پر بنتے ہیں۔انہی میں سے ایک رشتہ استاد کا بھی ہے استاد کو معاشرتی طور پر روحانی باپ کا درجہ حاصل ہے۔

اسلام نے استاد کا رتبہ والدین کے رتبہ کے برابر قرار دیا ہے کیونکہ دنیا میں والدین کے بعد اگر کسی پر بچہ کی ذمہ داری عائد ہوتی ہے تو وہ معلم یعنی استاد ہے کیونکہ استاد ہی ہے جو ہمیں دنیا میں جینا اور رہنا سہنا سکھاتے ہیں اور کتاب کا علم سیکھنے میں مددگار ہوتے ہیں۔چنانچہ استاد واجب الاحترام شخصیت ہے۔ اس لیے ہمیں استاد کا احترام کرنا ضروری ہے۔استاد کی عزت کرنا ہمارے اوپر لازم ہے۔استاد یا مدرس کی تعریف ان الفاظ میں کیا جائے تو بے جا نہ ہوگا ایک استاد لوہے کو تپا کر کندن بناتا ہے، پتھر کو تراش کر ہیرے بناتا ہے۔استاد معمار بھی ہے، استاد لوہار بھی ہے، استاد کسان بھی ہے۔

لہذا استاد واجب الاحترام اور لائق تعظیم شخصیت ہے۔استاد کا درجہ ماں باپ کے برابر قرار دیا گیا ہے۔ایک زمانہ تھا جب طالب علم حصول علم کی تلاش میں میلوں کا سفر پیدل کرتے تھے سالہا سال ملک در ملک گھومتے تھے گھر بار سے دور رہ کر اپنے پیاسے من کو سیراب کرتے تھے مگر اس وقت کے طالب علم با ادب اور باتمیز تھے۔استاد کے قدموں میں بیٹھنا۔استاد کی باتوں کو خاموشی سے سننا، استاد کے سامنے چوں تک نہ کہنا، مذاق اڑانا تو دور کی بات نظر اٹھا کر بات کرنے سے بھی ڈرتے تھے۔وقت نے اپنی اڑان بھری تو انسان بھی ترقی کی کئی منزلیں طے کرتا چلا گیا اور وقت بدلا تو تہذیب اور ادب و آداب کے اندر بھی بدلاؤ آتے چلے گئے۔چنانچہ یہ حقیقت ہے کہ آج کے دور میں استاد بننا کانٹے پر سوار ہونے کے مترادف ہے۔موجودہ دور میں اولا تو کوئی استاد بننا پسند نہیں کرتا اور جو بن بھی جاتا ہے وہ اپنی عزت گنوا دیتا ہے کیونکہ موجودہ دور کے طلبا اساتذہ کی عزت کرنے پر آمادہ نہیں ہوتے وہ اساتذہ کو ایک تنخواہ دار ملازم سمجھتے ہیں جس کی عزت کرنا وہ ضروری نہیں سمجھتے ہیں اور بچوں کی اس سوچ کے ذمہ دار خود ان کے والدین ہی ہے کیونکہ بچپن سے ہی بچوں کے دماغ میں بیٹھا دیتے ہیں کہ وہ ہمارا تنخواہ دار ملازم ہے اسے اتنی ہی عزت دو جتنی اوروں کو دی جاتی ہے یہی وجہ ہے کہ بچے علم سے محروم ہو رہے ہیں۔آج جو اتنے لوگ بلند مرتبہ کو پہنچے ہوئے ہیں یہ سب استاد ہی کا کرشمہ ہے اگر استاد نہیں ہوتے تو آج بھی ہم احمقانہ زندگی گزارتے۔

استاد کی بدولت ہی ہم بلند مرتبہ کو چھو پائیں گے گویا کہ ہم لوگوں کے لیے استاد کی عزت اور ادب و احترام کرنا ضروری اور لازمی ہے۔

کسی نے کیا خوب کہا ہے۔

عقل بھی خدا دیتا ہے رتبہ بھی خدا دیتا ہے　　استاد وہ سمندر ہے جو دونوں کو بڑھا دیتا ہے.

میری زندگی کا مقصد

قال اللہ تعالی (وما خلقت الجن والانس الا لیعبدون)

ترجمہ: اللہ تعالی نے انسانوں اور جنوں کو صرف اور صرف اپنی عبادت کے لیے پیدا کیا ہے (الذاریات:56)

حضرات! زندگی اللہ تعالی کی عطا کردہ نعمتوں میں سے ایک عظیم نعمت ہے۔ ہر انسان اپنی زندگی کو بہتر بنانے اور اپنے مقصد کو حاصل کرنے میں مگن رہتا ہے- ایک عقلمند انسان جب کوئی کام کرتا ہے تو اس کے کچھ اغراض ومقاصد ہوتے ہیں جن کی تکمیل کے لیے شب وروز جدوجہد کرتا ہے۔ میرے لیے میری زندگی کا مقصد نہ صرف ذاتی مقصد حاصل کرنا ہے بلکہ دوسروں کی زندگی میں بھی بہتری لانا ہے۔

میری زندگی کا پہلا مقصد یہ ہے کہ میں اپنی تعلیم حاصل کر کے ایک کامیاب معلم بنوں تا کہ اپنے خاندان اور معاشرے کے ہر افراد کو تعلیم یافتہ بناؤں اور ہر طرح سے اس کی مدد کر سکوں۔

اسی طرح سے میری زندگی کا ایک اہم مقصد ہے خدمت خلق یعنی انسانیت کی خدمت کرنا' غریبوں کی مدد کرنا اور دوسروں کے دکھ درد کو سمجھنا- میں ایسا کام کروں جو دوسروں کے لیے مفید ہو اور انہیں ایک بہتر زندگی گزارنے میں مدد ملے۔

میرے مقاصد کا ایک اہم پہلو خود کو بہتر بنانا بھی ہے میں اپنے اخلاق اور روحانی پہلو کو مضبوط اور بہتر بناؤں اور جس مقصد کے تحت اللہ نے ہمیں پیدا کیا ہے اس پہلو کو ہرگز فراموش نہ کروں یعنی اللہ کی عبادت وبندگی میں اپنا وقت گزاروں-

میری زندگی کے اہم مقاصد میں سے ایک مقصد یہ بھی ہے کہ میں ایک ذمہ دار شہری ہوں اس اعتبار سے میں اپنے ملک کی خدمت کروں اور اپنے ملک کی ترقی اور خوشحالی کے لیے کام کروں جس سے میرا ملک کا نام بھی روشن ہو-

اخیر میں اس امید کے ساتھ اپنی بات ختم کرنا چاہتا ہوں کہ ہمارا کوئی بھی کام مقصد سے خالی نہ ہو چونکہ کوئی بھی کام جس کا کوئی مقصد نہ ہو تو وہ ایسا ہی ہے جیسا کہ بغیر روح کے جسم-

اللہ تعالی ہمیں با مقصد زندگی گزارنے کی توفیق دے آمین

स्वतंत्रता दिवस

"देश भक्ति एक बस दिलशाद है,
देश भक्ति गर नहीं तो जिंदगी बर्बाद है!"

हमारा देश 15 अगस्त 1947 को २०० वर्षों की गुलामी के बाद आजाद हुआ था। आजादी के लिए हमने लाखों जाने कुर्बान की, लाखों माताओं की गोद सूनी हो गई।

परंतु वास्तविक आजादी 26 जनवरी 1950 को संविधान लागू होने के बाद मिली। भारत के इतिहास में गणतंत्र दिवस का एक अपना महत्वपूर्ण स्थान है इसी दिन भारत पूर्ण रूप से प्रभुता संपन्न राष्ट्र बना।

इस दिन से स्वशासन की शुरुआत हुई। मौलाना आजादी को हासिल करने के लिए भगत सिंह, सुखदेव, राजगुरु, बटुकेश्वर दत्त, आजाद एवं सुभाष जैसे सूरमाओं ने अपने प्राण न्योछावर कर दिए। गांधी नेहरु पटेल तमाम नेताओं के बदौलत हमने ये आजादी हासिल की।

आजादी को अगर बचाए रखना है तो फिर हमें देश के वर्तमान समस्याओं को समझने एवं उसे दूर करने के लिए हमेशा तत्पर रहना होगा।

प्रदूषण की रोकथाम

प्रदूषण की समस्या केवल भारत की नहीं बल्कि , विश्व की समस्या बनी हुई है। प्रदूषण के कई प्रकार होते हैं। जैसे कि जल प्रदूषण, ध्वनि प्रदूषण एवं वायु प्रदूषण।

प्रदूषण फैलने का मुख्य कारण कल कारखानों की चिमनियों से उगलते हुए धुएं, एवं गाड़ियों के धुंए एवं आवाज़।

जल प्रदूषण के मुख्य कारण हैं कारखानों की गंदगी, मरे हुए पशुओं को नदियों में प्रवाहित करने से, कपड़े धोने के कारण, इत्यादि।

प्रदूषण के मुख्य कारण हैं हमारे आसपास की चीजें जैसे की दुकान से खरीदे गए प्लास्टिक बैंड खाद्य सामग्री, कागज, पॉलिथीन को हम लोग अपने आसपास के परिवेश में फेंक देते हैं और जाने अनजाने में हम लोग बीमारियों को उत्पन्न करते हैं।

प्रदूषण फैलने के और भी कारण हैं जैसे कि आजकल पेड़ों की, जंगलों की कटाई प्रचुर मात्रा में हो रही है। विज्ञान का ऐसा दौर चल चुका है कि हम लोग अंधाधुंध पेड़ों को काटे जा रहे हैं जिससे मिट्टी प्रदूषण वायु प्रदूषण एवं जल प्रदूषण बढ़ता जा रहा है। इसके परिणाम स्वरूप विभिन्न प्रकार की घातक बीमारियां उत्पन्न हो रही है।

प्रदूषण के रोकथाम:- यह बात भी सच है कि हमेशा "विध्वंस ही निर्माण की पहली कड़ी है।" प्रदूषण से बचाव के लिए कारखाने के आसपास अधिक से अधिक पेड़ लगाए जाएं, गंदगियों को एक जगह कचरा प्रबंधन के तहत समुचित ढंग से इसका निष्पादन किया जाए तो प्रदूषण को हम रोक सकते हैं।

दुष्परिणाम:-प्रदूषण के दुष्परिणाम यह होते हैं के पिछले सालों हमने कोरोना जैसी महामारियों को झेला था। अभी हम लोग खुद को नहीं सुधार सके तो आगे इससे बड़ी आपदा के लिए तैयार रहें!

आपदा प्रबंधन

प्रस्तावना:-मानव जनित अथवा प्रकृति द्वारा होने वाली घटनाओं को हम आपदा कहते हैं। खुदा से होने वाली क्षति से बचाने या नियंत्रण पाने को आपदा प्रबंधन कहते हैं।

आपदा के रूप:-मुख्य रूप से आपदा के दो रूप होते हैं

(१) प्राकृतिक आपदा

(२) मानव निर्मित आपदा

प्राकृतिकआपदा:-प्रकृति के द्वारा होने वाली आपदा प्राकृतिक आपदा कहलाती है। प्राकृतिक आपदा होने पर पृथ्वी पर रहने वाले समस्त जीवों को नुकसान होता है। प्राकृतिक आपदा जैसे भूकंप, बाढ़, सुखा, भूस्खलन एवं सुनामी जैसी घटनाएं।

मानव निर्मित आपदा:-ऐसी आपदाएं जिनका जिम्मेदार खुद मानव ही होता है। मनुष्य अपनी जरूरत को पूरा करने के लिए प्रकृति के साथ खिलवाड़ करते हैं, जिसके चलते मानव निर्मित आपदा उत्पन्न होता है। मानव निर्मित आपदाओं के कुछ उदाहरण जैसे:-जनसंख्याविस्फोट, कल कारखानों में प्रयोग होने वाले जहरीलेगैस, जंगलों की कटाई, आग लगना इत्यादि।

इत्यादि। आपदा प्रबंधन के लिए कुछ जरूरी बातें:-

(१) अपनी सुरक्षा को प्राथमिकता दें,

(२) परिवार एवं साथियों का ख्याल रखें,

(३) संयम का प्रदर्शन करें,

(४) खुद भी जागरूक रहें और लोगों को भी जागरुक करते रहें ताकि कम से कम नुकसान हो सके।

(५) आपदा से प्रभावित होने पर कुछ जरूरत के सामान अवश्य साथ लेकर जाएं।

(६) प्राथमिक उपचार के संसाधनों को अपने साथ हमेशा रखें,

(७) अगर आप सुरक्षित हैं तो अपने आसपास के लोगों को आपदा से बचाने की पुरजोर कोशिश करें और अंत में,

(८) सरकार द्वारा दिए गए दिशा निर्देशों का पालन करें एवं जल्द से जल्द सुरक्षित स्थान पर पहुंच जाएं।

निष्कर्ष:-आपदा प्रबंधन बहुत जरूरी है प्रकृति और पर्यावरण को सुरक्षित रखने के लिए। प्रकृति को प्रदूषण से बचाना चाहिए अगर हम अपने मंसूबे में कामयाब नहीं होते हैं तो हमें बहुत सारी समस्याओं का सामना करना पड़ता है।

विज्ञान के चमत्कार

प्रस्तुत निबंध में हम विज्ञान और उसके चमत्कार के बारे में विस्तार से बातें करेंगे।

वैज्ञानिकों ने विभिन्न तरह के अविष्कारों से जीवन को सरल एवं आसान बना दिया है। कभी जिस दूरी को पूरा करने में महीनों लग जाया करते थे, विज्ञान आज वह दूरी को घंटे में तय करवा देता है। आज विज्ञान की ही देन है की इंसान धरती तो दूर की बात है चांद पर भी जा पहुंचा है। विज्ञान की मदद से पर्वतारोही एवरेस्ट फतह कर चुके हैं। इसके चमत्कार के कारण ही हम लोग दुनिया भर की जानकारी पल भर में हासिल कर लेते हैं। आज दुनिया में जो भी चीज़ उपलब्ध है विज्ञान की ही देन है।

इसी कड़ी में हम आपको विज्ञान के एक अनोखे चमत्कार के बारे में विस्तार से बताएंगे। विज्ञान की मदद से ही वैज्ञानिकों ने चंद्रयान-3 को चांद की सतह पर उतार दिया। आज विज्ञान की तरक्की का यह आलम है कि हम लोग अब सूर्य के करीब भी जाने की सोच रहे हैं। वैज्ञानिक रिसर्च से हमें इन सारी चीजों के बारे में जानकारी मिलती है। हमारे देश ही नहीं, दुनिया भर के वैज्ञानिक नित-नए खोज करते जा रहे हैं। कुछ सालों पहले भारत ने भी चांद के सतह पर चंद्रयान मिशन की शुरुआत की थी, लेकिन पहली और दूसरी सफलता में हम लोग असफल हो गए थे। आज विज्ञान की ही यह देन है कि हम लोग घर बैठे दुनिया देख लेते हैं और दुनिया भर की जानकारी को इकट्ठा कर लेते हैं।

मेरा प्रिय मित्र

मेरा सबसे प्रिय मित्र काबातुल्लाह है। वह मेरे साथ कक्षा 6 में पढ़ता है, साथ ही साथ वह बहुत अच्छा लड़का है।

कक्षा में हर बार वह प्रथम श्रेणी से उत्तीर्ण होता है और खेलकूद में भी बढ़-चढ़ कर हिस्सा लेता है। विद्यालय के उन छात्रों के साथ भी उसका अच्छा संबंध है, वह एक नेक और ईमानदार लड़का है। उसके पिताजी का होटल व्यवसाय है।

मनुष्य जीवन पथ पर अकेला चलने में कठिनाइयों का अनुभव करता है। उसे हर समय ऐसे व्यक्ति की खोज रहती है जो उसके सुख-दुख, हर्ष विषाद तमाम तरह की कठिनाइयों मैं उसके साथ हो। मित्रता विश्वास की अमूल्य निधि है।

मित्र की प्राप्ति से जीवन रूपी उद्यान में बसंत की बहार आ जाती है।

"मित्रता बड़ा अनमोल रतन, कब इसे तोल सकता है धन।
धरती की तो है क्या विसात, आ जाए अगर बैकुंठ हाथ,
उसको भी निछावर मैं कर दूं, कुरुपति के चरणों में धर दूं।

सच्चा मित्र वही है जो सदा मित्र के कल्याण की सोचे, उसे कुमार्ग पर चलने से रोके। मित्र की परख विपत्ति के समय ही होता है। मेरे मित्र के अंदर मित्रता के वह सारे गुण विद्यमान हैं। जिससे मुझे अपने मित्र पर पूर्ण विश्वास है। विवेकशील, हंसमुख, मिलनसार एवं बहुत ही मेहनती लड़का है। सभी शिक्षकों एवं सहपाठियों का प्रिय है।

विद्यालय में भिन्न-भिन्न जाती, भिन्न संप्रदाय के लोग पढ़ते हैं सबों के साथ काबातुल्लाह की अच्छी मित्रता है। उसके जैसा मित्र पाकर निश्चित रूप से धन्य हूं। जीवन में अगर मित्र सच्चा और अच्छा मिल जाए तो इंसान की जिंदगी सरल एवं सहज हो जाती है। सच में ऐसे मित्र अगर किसी को मिल जाए तो उसके जीवन में बहार आ जाए, मित्र की कठिनाई को, मित्र की परेशानी को अपनी परेशानी समझ उसे हमेशा दूर करने की कोशिश करता है। पूरे स्कूल में वही एक ऐसा व्यक्ति है, जिसके साथ मैं अपना हर सुख दुख बांट सकता हूं।

जल

जल है तो कल है, बावजूद इसके जल बेवजह बर्बाद किया जाता ह। हमें यह नहीं भूलना चाहिए कि जल संकट का समाधान जल के संरक्षण से ही है। हम हमेशा से सुनते आए हैं "जल ही जीवन है"। जल के बिना सुनहरे कल की कल्पना नहीं नहीं की जा सकती। सभी कार्यों का निष्पादन करने के लिए हमें जल की आवश्यकता होती है। पृथ्वी पर उपलब्ध एक बहुमूल्य संसाधन है। यूं कहें कि पृथ्वी का लगभग तीन चौथाई भाग जल से घिरा हुआ है। परंतु 97% पानी खारा है जो पीने योग्य नहीं है। पीने योग्य पानी की मात्रा 3% है इसमें भी दो पर्सेंट पानी ग्लेशियर एवं बर्फ के रूप में है। इस प्रकार से मात्र 1% पानी ही मानव के उपयोग हेतु उपलब्ध है। जैसे-जैसे गर्मी बढ़ रही है देश के कई हिस्सों में पानी की समस्या विकराल रूप धारण कर रही है। प्रतिवर्ष यह समस्या पहले के मुकाबले और बढ़ती जाती है, लेकिन हम हमेशा यही सोचते हैं जैसे तैसे गर्मी का सीजन चला जाए, बारिश का सीजन आते ही पानी की समस्या दूर हो जाएगी यही सोच कर जल संरक्षण के प्रति बेरुखी अपने रहते हैं। आगामी वर्षों में यह समस्या और अधिक विकराल हो जाएगी ।

अतः समय आ गया है कि पृथ्वी निवासी जागें और पानी बचाने की अहमियत को समझें।

हिंदी दिवस

हिंदी दिवस को भारतीय इतिहास में महत्वपूर्ण और गौरवशाली दिन के रूप में जाना जाता है। जो हर साल 14 सितंबर को मनाया जाता है। यह दिन 1949 में संविधान सभा द्वारा हिंदी को संघीय सरकार के आधिकारिक भाषा के रूप में अपनाए जाने की याद दिलाता है। देश के प्रथम प्रधानमंत्री जवाहरलाल नेहरू ने 14 सितंबर को हिंदी दिवस के रूप में मनाने का फैसला किया था।

हिंदी के महत्व को समझने के लिए हमें इसके ऐतिहासिक पृष्ठभूमि को देखना चाहिए। 11वीं शताब्दी की शुरुआत में फारसी बोलने वाले लोगों ने सिंधु नदी के किनारे बोली जाने वाली भाषा को हिंदी का नाम दिया था। हिंदी के विकास के साथ ही वेदों को समझना आसान हो पाया। वरना वेदों की भाषा संस्कृत जो सबसे प्राचीन भाषा मानी जाती है, सबके लिए इस भाषा को समझना इतना सहज नहीं था। हिंदी भाषा के कारण ही आज हम 'महाभारत' एवं 'रामायण' जैसे ग्रंथों को पढ़कर आसानी से समझ सकते हैं।

इतना ही नहीं भारत के स्वतंत्रता संग्राम में भी हमारी हिंदी भाषा ने भारतीयों को एक सूत्र में बांधने का कार्य किया था, हिंदी भाषा की एकता एवं विभिन्न आंदोलनों ने ब्रिटिश सरकार की नींव हिला दी थी। जिसके परिणाम स्वरुप हमारा देश गुलामी की बेड़ियों से निकल कर स्वतंत्रता की स्वच्छंद हवा में सांसें ली।

हिंदी को विश्व की तीसरी भाषा के रूप में मान्यता प्रदान की गई है। हिंदी भाषा की बढ़ती हुई उपलब्धियों को देखते हुए 10 जनवरी को इसे विश्व हिंदी दिवस के रूप में मनाया जाता है।

अतः हम यह कह सकते हैं कि-

ऊंच-नीच को नहीं मानती हमारी हिंदी।

इसलिए इसमें कोई कैपिटल और स्मॉल नहीं होता।

An Educational Tour of MAIS

Educational tourism is a mode of travel to various destinations aimed at acquiring knowledge and experiences of an educational, professional, or personal nature in areas such as history, culture, social, or language learning. The concept of educational tourism involves all academic activities, training, and vocational training, which are carried out through mobility or exchange of students who are interested in acquiring knowledge in a different place of residence, with the aim of training to acquire experiences and knowledge of customs, traditions, and cultural heritage involving different teaching methods. To make the students update from the outer world, "Maulana Azad International School" organized an educational tour on 16th November 2024. We departed from the school at 8:30 am and reached the spot Dreamland FunWorld Ammunsement Park, Silliguri at around 11:30 am. Students of grades 1 to X taken part in the tour with all the teaching and non-teaching staffs.

An Educational Tour of MAIS

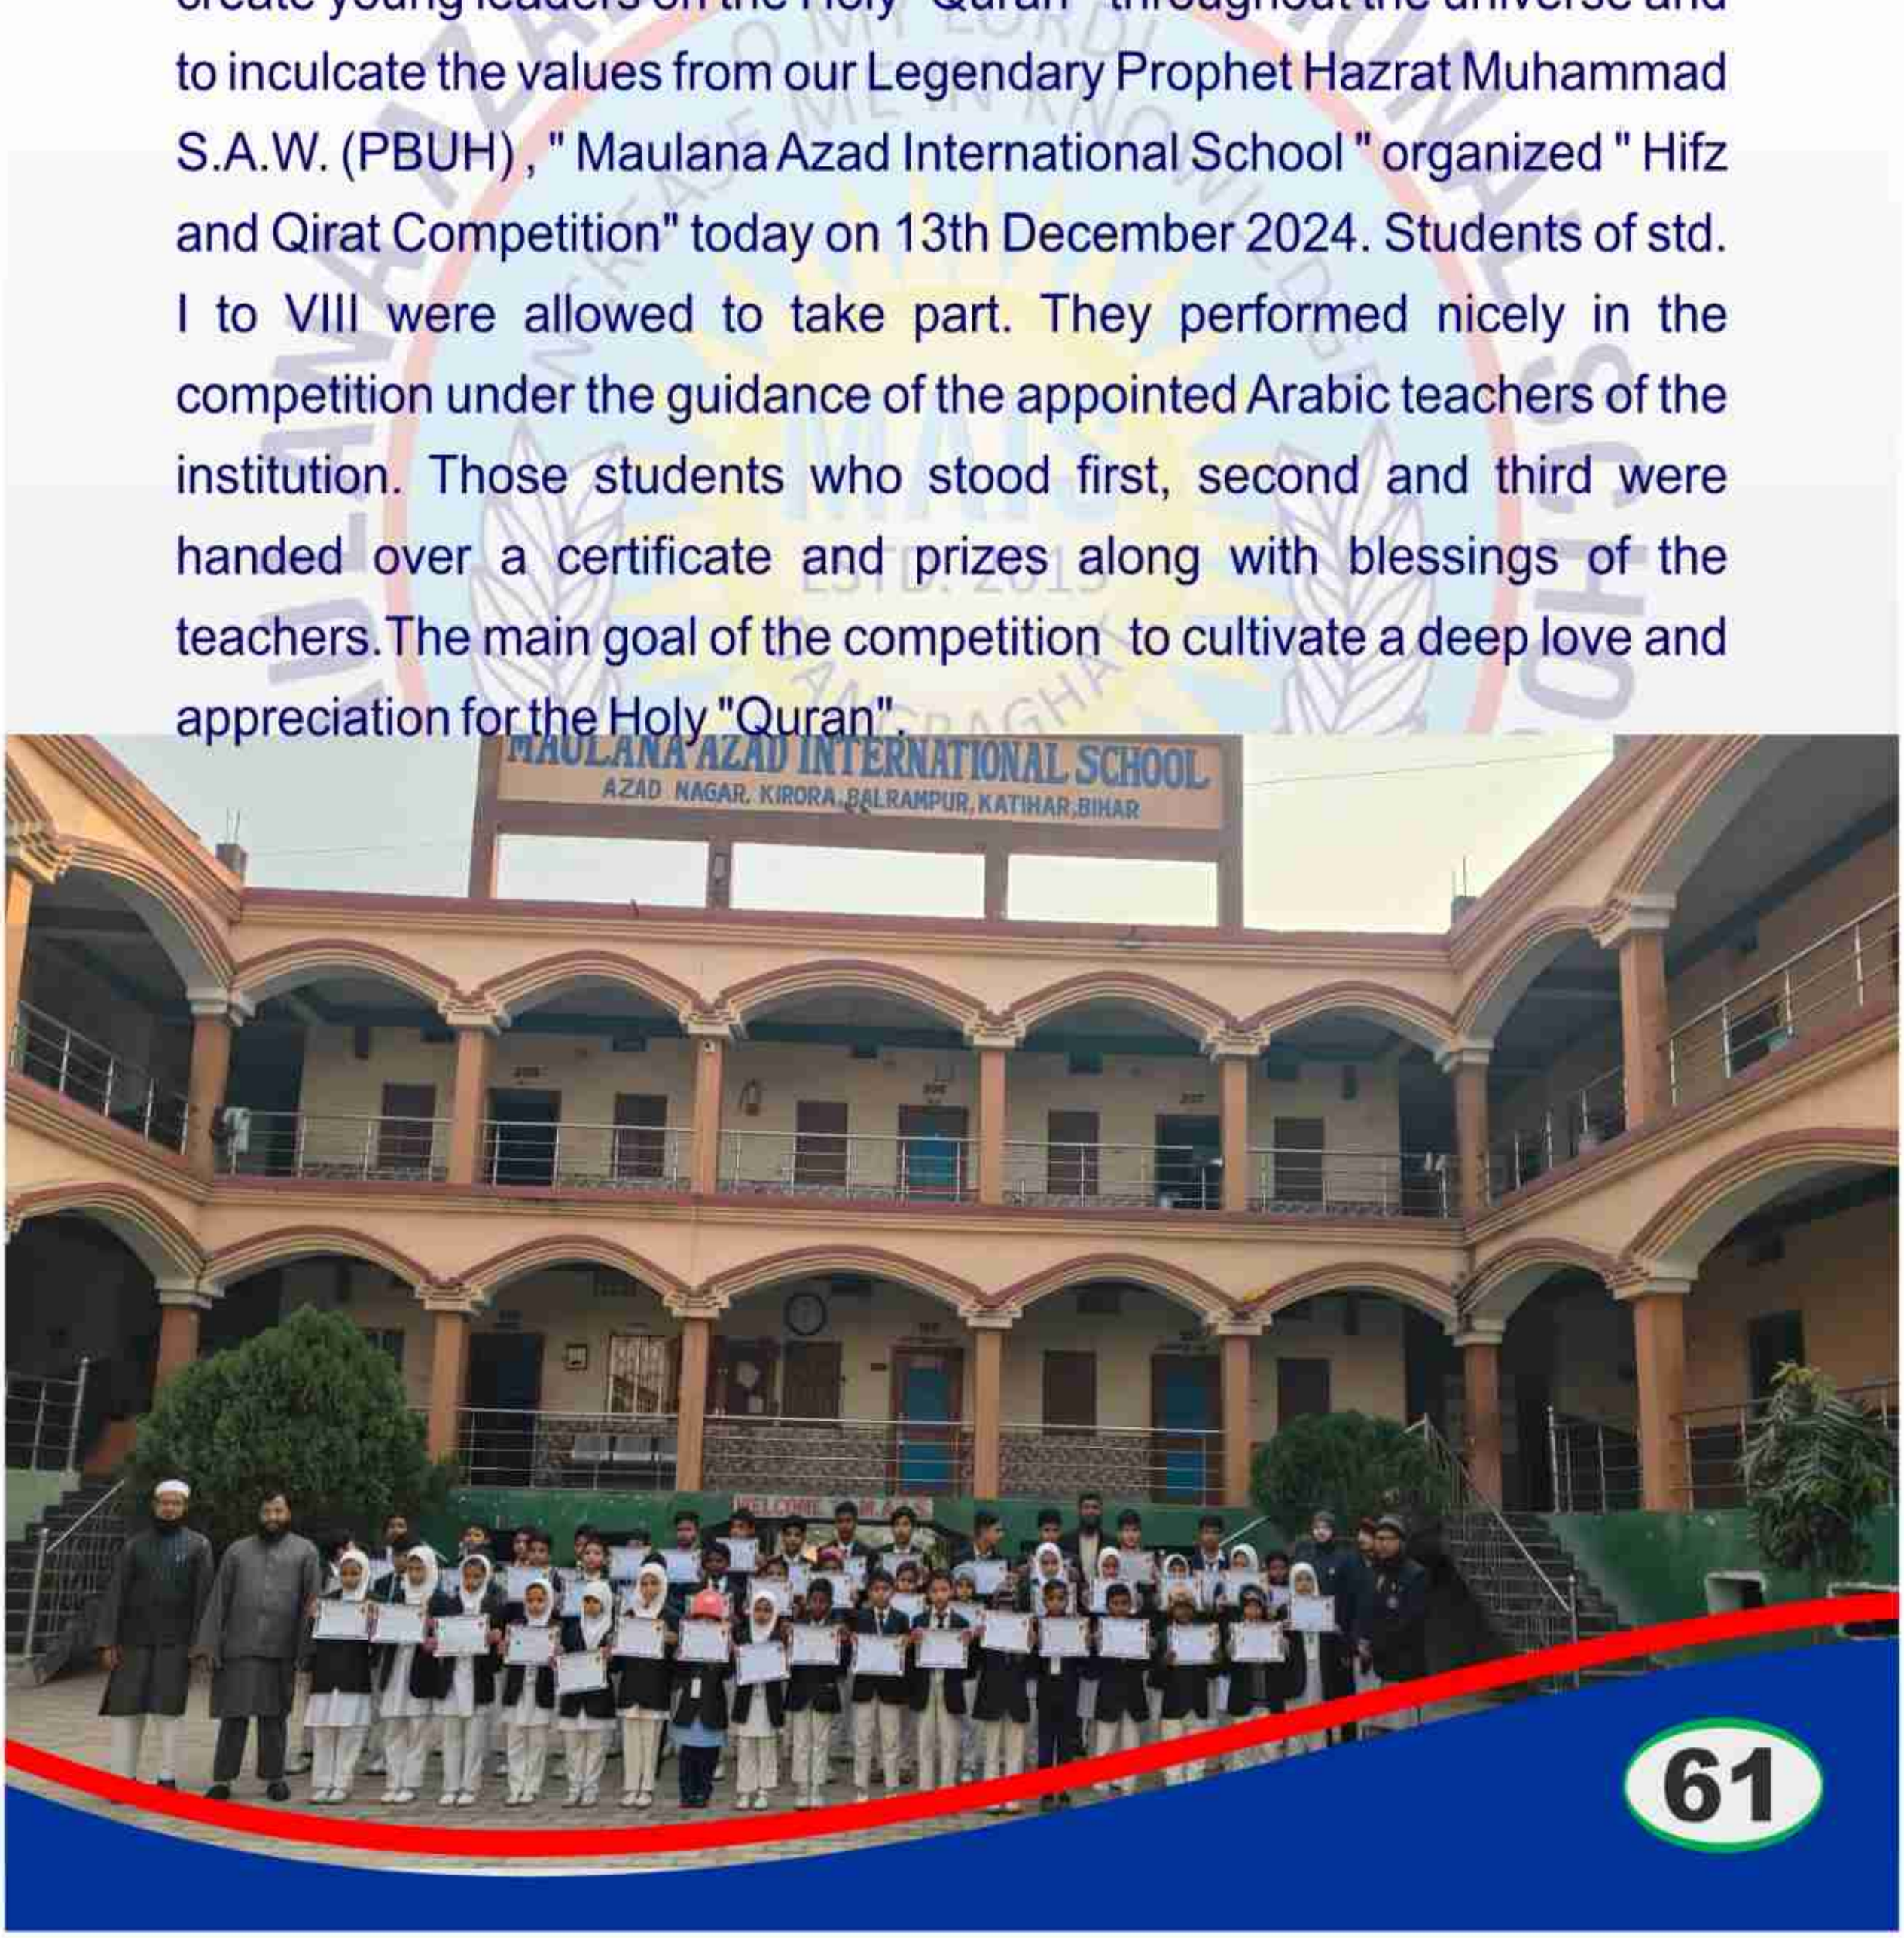

Everyone enjoyed the beauties of the park. There were so many things to ride, like cable cars, 'Water Coasters, boating, cycling, and many more. When all were exhausted with delight and fun, lunch (Chicken Biryani) was provided. After taking lunch, I again took some enjoyment, clicked photos, shot videos, etc. And around 4pm, a group photo was clicked. And finally, at 4:30, we left for our school.

In brief, we can say it was a short but very enjoyable tour. Thank you, Principal sir, and the school management for giving us such an opportunity.

Hifz and Qirat competition

The Holy "Quran " is the guide of heavens. It is full of wisdom, guidance to the correct path. It helps the hearts not to be in doubt and the emotions not to deviate. M.A.I.S endures on organizing the Holy Quran recitation competition among Class I to VIII standard students.To create young leaders on the Holy" Quran " throughout the universe and to inculcate the values from our Legendary Prophet Hazrat Muhammad S.A.W. (PBUH) , " Maulana Azad International School " organized " Hifz and Qirat Competition" today on 13th December 2024. Students of std. I to VIII were allowed to take part. They performed nicely in the competition under the guidance of the appointed Arabic teachers of the institution. Those students who stood first, second and third were handed over a certificate and prizes along with blessings of the teachers.The main goal of the competition to cultivate a deep love and appreciation for the Holy "Quran".

It promotes the principles of Tajweed and Tarteel rules, pronunciation, Sifaat, and Waqf in recitation, fosters a strong emotional and spiritual bond with the "Quran", encourages young reciters to excel. It was also an aim to motivate participants to learn from renowned reciters and improve their recitation.At the end, I would like to extend my heartfelt gratitude to the honorable principal, Mr. Nasiruddin sir and all Arbic teachers for conducting the competition. May Allah SWT crown our efforts with success. Ameen Summa ameen.

Thanking You - Penned by: Md Nasar Alam Asst. Teacher (TGT)

Interactive Panel

Inauguration

A smart classroom fosters a comprehensive learning environment that makes learning fascinating and engaging. To enhance this experience, Maulana Azad International School introduced the Wega Touch EBIX Smart Class Interactive Panel with a Camera. This advanced tool aims to provide students with a flexible and interactive learning environment.

The Interactive Panel was inaugurated by our Director Mr. Mohammad Rizwan Salafi, on 11th January 2025. The Principal Mr. Nasiruddin and other teachers were part of the inauguration ceremony.

The initiative of the school management marks a significant step towards integrating technology in education, making learning more captivating and effective for students.
